SAINT BARTHELEMY (Gustavia) - Time at leisure (no shore excursions organized)

Saint-Barthélemy - often called St. Barts - is a small, exclusive island in the French West Indies. It is known for its white-sand beaches and turquoise waters and for its blend of French culture and Caribbean warmth and its refined atmosphere. Gustavia, the island's capital, is a picturesque port town that captures the essence of St. Barts. Its scenic harbor is often filled with sleek yachts. With its red-roofed colonial buildings, cobblestone streets, and Swedish heritage, it offers a unique mix of history and sophistication. The town is home to upscale boutiques, gourmet restaurants, and lively cafés, as well as landmarks like the Wall House Museum and the old Swedish clock tower.

JOST VAN DYKE (White Bay) - Time at leisure at the beach (no shore excursions organized)

White Bay, located on the southwest coast of Jost Van Dyke in the British Virgin Islands, is a world-famous beach known for its pristine white sand, crystal-clear waters, and laid-back atmosphere. This picturesque bay is a paradise for those seeking relaxation, offering breathtaking scenery and the perfect spot to soak up the Caribbean sun. Though small, Jost Van Dyke is famous for its lively beach bars, including the iconic Soggy Dollar Bar, where the popular Painkiller cocktail was invented. The ship will be at anchor (tender service with wet landing at the beach).

NORMAN ISLAND (The Bight) - Time at leisure at the beach (no shore excursions organized)

Norman Island is uninhabited and steeped in pirate legend, often cited as the inspiration for Robert Louis Stevenson's Treasure Island. Star Clippers anchors at The Bight, one of the most famous bays in the British Virgin Islands. Known for its calm, sheltered waters, The Bight is ideal for swimming, snorkeling, and relaxing.

The ship will be at anchor (tender service). A wooden pontoon provides direct access to the beach and nearby hiking trails. Once ashore, passengers can relax at the beach and rent beach chairs and umbrellas from the beach bar.

Sightseeing | Beach

The Baths consist of a series of small sea pools located beneath a canopy of giant granite boulders. These light-filled, sheltered grottoes create a unique swimming and exploration area. Open-top safari buses will take you to the entrance of the Baths. A path winds down to a beautiful sandy beach at Devil's Bay, where you can swim or snorkel in the emerald-clear waters or simply relax in the warm Caribbean sunshine. From this beach the trail follows through the boulder to the Baths beach. An escort will meet guests there when they come through the Caves.

As an alternative for those unwilling to negotiate the Caves a trail leads from the car park directly to the Baths beach. Swim and bask in the sun at your leisure. When you return to the car park, enjoy a complimentary refreshing fruit or rum punch at the "Top of the Baths" restaurant before driving back to the port.

Please note:

✓ **IMPORTANT:** a flag warning system is in place at the beach. A red flag signals dangerous sea conditions and strong undercurrents. When the red flag is flying, swimming is strictly prohibited; however, access to the beach and the trail through the rocks remains open.

✓ Participants should be in good physical condition. The footpath between the parking and Devil's bay beach is a 15 min hike (approx 750 mt each way – up and down) on uneven surfaces, steps and inclines. The trail through the Caves is **OPTIONAL** and it involves climbing 5 step wooden ladders, stepping on wet rocks and bending under overhangs. The trail between the car parking and The Baths beach is shorter and easier (approx. 270 mt).

✓ The Baths are a popular destination and can be crowded. Departure from the ship will be in the early morning to avoid as much as possible crowds (check the departure time on the Daily Program).

✓ Transportation on the island is by open-top safari bus (direct transfer, unguided).

✓ Wear comfortable walking shoes (sneakers or sandals, no flip-flops) and a swimsuit under your clothes and bring a towel from the ship, sunscreen, water and water shoes.

✓ Cold refreshments, snacks and souvenirs are available for purchase (not included) at the Baths.

Originally built between 1912 and 1926 to transport sugar cane from plantations to the sugar factory in Basseterre, the railway now offers visitors a charming way to explore the island’s stunning scenery and rich culture.

The upper level features an open-air observation deck with panoramic views of lush countryside, while the lower level offers air-conditioned comfort with vaulted windows, rattan furnishings, island music, complimentary specialty drinks, and a colorful narration of Caribbean history.

The train hugs the northeastern coastline, passing rippling sugarcane fields that stretch from the shore to the mountainous interior. Towering volcanic mountain ranges rise nearly 4,000 feet (1220 mt) above sea level, covered in dense rainforest. The journey includes crossings over tall steel bridges spanning deep canyons (“ghuts”), and passes through quaint villages and farms. Your conductor will highlight old sugar estates, abandoned mills, and windmills while sharing insights into the island’s unique heritage. The tour concludes with a scenic bus ride along the southern coast, offering spectacular views of Brimstone Fortress - the British “Gibraltar of the Caribbean” - before returning to the ship at South Friars Bay.
